DETAILED ACTION

This office action is in response to the amendment filed on September 19, 2005.

Claims 256-272 are pending in this application.

Withdrawn Rejections/Objections:

Applicant is notified that any outstanding rejection/objection that is not expressly maintained in this office action has been withdrawn or rendered moot in view of applicant's amendments and/or remarks.

The following rejections are necessitated by the amendment:

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 257 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 257 depends from a canceled claim (claim 1). Applicant may have intended to make the claim depend from claim 256. Appropriate amendment would obviate the rejection.

Duplicate Claims

Claims 268 and 269 are objected to under 37 CFR 1.75 as being a substantial duplicate of claim 267. When two claims in an application are duplicates or else are so close in content that

Art Unit: 1624

they both cover the same thing, despite a slight difference in wording, it is proper after allowing one claim to object to the other as being a substantial duplicate of the allowed claim. See MPEP § 706.03(k). Claims 268 and 269 are drawn to the same pharmaceutical composition as recited in claim 267. Cancellation of claims 268-269 is suggested.

Allowable Subject Matter

Claims 256, 258-267 and 270-272 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action. Claim 257 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Receipt is acknowledged of the Information Disclosure Statement filed on June 3 and October 28, 2004 and a copy is enclosed herewith. The citations under "other documents" filed on June 3, 2004 were crossed off as these are not proper publications *per se* having a publication date, that comply with the requirements of 37 CFR 1.97 and 1.98.
